

# ADDITIONAL OPTIONS GREENCOAT® PURAL BT >>>

There are a range of additional components that we recommend, to provide your partitioning solution with extra strength and security and also give your unit a complete finished look.

If you are looking for a sustainable solution, GreenCoat® Pural BT by SSAB is for you. This is an innovative, colour coated and more environmentally friendly steel solution specifically for the construction industry. This patented bio-based coating includes a substantial amount of rapeseed oil. GreenCoat® reduces the environmental footprint, is fully recyclable, and stands at the forefront of sustainable solutions.
